

*As of Thursday, January 14, 2021*

**Cristinel Ababei, PhD**

[University Link](#)

*Assistant Professor*

Marquette University  
Department of Electrical and Computer  
Engineering, Opus College of Engineering

Embedded systems, computer  
architecture, IoT

**Iqbal Ahamed, PhD**

[University Link](#)

*Professor*

Marquette University  
Department of Computer Science,  
Klingler College of Arts and Sciences

Smartphone based healthcare,  
mHealth

**Razia Azen, PhD**

[University Link](#)

*Associate Professor*

University of Wisconsin Milwaukee  
Educational Psychology, School of  
Education

Developing methods for  
determining predictor importance  
in various linear models

**Dmitri Babikov, PhD**

[University Link](#)

*Professor*

Marquette University  
Department of Chemistry, Klingler  
College of Arts and Sciences

Chemistry theoretical  
computational quantum  
computing science molecular  
physics modelling

**Naveen Bansal, PhD**

[University Link](#)

*Professor and Director of the Office of  
the Statistical Consulting*

Marquette University  
Department of Mathematical and  
Statistical Sciences, Klingler College of  
Arts and Sciences

Big data analysis using tools of  
statistical learning

**Jay H. Beder, PhD**

[University Link](#)

*Professor*

University of Wisconsin Milwaukee  
Department of Mathematical Sciences,  
College of Letters & Science

Inference for Gaussian processes,  
statistical design theory

**Amit Bhatnagar, PhD**

[University Link](#)

*Associate Professor of Marketing*

University of Wisconsin Milwaukee  
Lubar School of Business

ecommerce, multimedia  
advertising, information search,  
promotion, statistical analysis,  
customer satisfaction

**Edward Blumenthal, PhD**

[University Link](#)

*Associate Professor, Associate Dean for  
Research and Graduate Affairs, Interim  
Co-Director, Northwestern Mutual Data  
Science Institute*

Marquette University  
Department of Biological Sciences,  
Klingler College of Arts & Sciences

Epithelial barrier development
